

Della,

Merry Christmas from our home to your!

Attached is Jorge' at one year of age (DOB 11-8-05). As you might imagine, he's absolutely wonderful . . . my pride and joy. After my recent surgery, Jorge' was a natural companion never leaving my side. He's been a constant source of joy, comfort, and encouragement. Because of the surgery, we had to stop Therapy Partner's training but will return in the spring of '07.

Again, thank you for breeding such good quality pets.

Blessings to your and yours,
Tricia Webb
